**MEMORANDUM IN SUPPORT OF NYPD'S DEVIATION FROM
THE DISCIPLINARY SYSTEM PENALTY GUIDELINES**

Re: PODS Case No. C-031887 regarding Detective Amir Pali, Tax No. 961060

Date: September 30, 2026

This disciplinary matter was investigated by the Civilian Complaint Review Board ("CCRB") which involved allegations that Detective Pali made an unlawful entry and improperly displayed his firearm. CCRB has determined that a Matrix deviation from the Disciplinary System Penalty Guidelines is warranted.

I concur with the downward deviation for the reasons articulated by CCRB in the attached correspondence.

Therefore, the Charges and Specifications in this matter will be dismissed and Detective Pali will receive Training, as negotiated by CCRB.

Re: CCRB v. Detective Pali (Tax Reg #961060, DADS #2022-26843)

Commissioner Tisch:

A negotiated settlement of a dismissal of the charge along with a penalty of Training was agreed upon and signed by all parties on May 19, 2026, and was endorsed by Assistant Deputy Commissioner Vanessa Facio-Lince on June 25, 2026.

On March 20, 2021, Detective (then PO) Pali and fellow officers went to 396 4th street in Brooklyn, to look for [REDACTED] who was wanted on a warrant for a commercial burglary. Upon arrival at the location, the officers saw [REDACTED] who then ran into his apartment. Officers then ran into the building and went through an apartment (with consent) to get to the back of the building. Detective Pali then subsequently entered a number of backyards, without receiving consent from the owners, looking for Mr. [REDACTED]. The entries to these backyards were warrantless searches and no exceptions to the warrant requirement were present.

After about 15-20 minutes, Detective Pali and other officers discovered Mr. [REDACTED] in one of the backyards. Detective Pali then took out his firearm and pointed it at Mr. [REDACTED]. Mr. [REDACTED] was then arrested. This pointing of a gun at the civilian was unjustified.

On June 25, 2026, in return for an acceptance by Detective Pali of the findings regarding the specification pursuant to a Negotiated Settlement, the CCRB recommended a dismissal of the specifications with the further recommendation that Detective Pali receive Training. This recommendation is a downward departure from the mitigated penalty for the charge of the unlawful use of less lethal force with no injury. This recommendation is due to Detective Pali's ten years of service, the fact that Detective Pali has no disciplinary history, and is recognition that he received a score of 10 out of 10 by his supervising officer in his most recent evaluation.

Therefore, given the totality of the circumstances, the CCRB recommends dismissal of the specification with the additional recommendation that Detective Pali receive Training.

Respectfully submitted
