THE DISCIPLINARY SYSTEM PENALTY GUIDELINES**

**Re:** Disciplinary Case No. 2023-28948 / PODS Case No. C-031560 regarding Police Officer Manolis Kambouris, Tax No. 961850

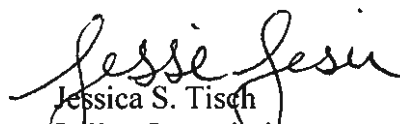

**Date:** July 21, 2026

---

This disciplinary matter was investigated by the Civilian Complaint Review Board ("CCRB") which involved allegations that Police Officer Kambouris stopped, questioned, and arrested an individual without sufficient legal authority. CCRB has determined that a downward deviation from the Disciplinary System Penalty Guidelines is warranted.

I concur with the downward deviation for the reasons articulated by CCRB in the attached correspondence.

Therefore, the Charges and Specifications in this matter will be dismissed and Police Officer Kambouris will receive Training, as negotiated by CCRB.

Re: CCRB v. PO Manolis Kambouris (CCRB #202202497, Tax #961850, DADS #2023-28948)

Commissioner Tisch:

I am writing to you regarding the plea in the above referenced case.

The CCRB offered PO Manolis Kambouris a disposition of Formalized Training in this matter. This is a downward deviation from the NYPD's Disciplinary Matrix. The CCRB offered this disposition for the following reasons:

1. PO Kambouris agreed to take responsibility for his misconduct.
2. PO Manolis Kambouris has received recognition for Excellent Police Duty 3 times and has no prior disciplinary history.
3. Given the brief duration and totality of circumstances and the potential for training to correct/rehabilitate behavior, the CCRB believes training is the best disposition of this matter.

Respectfully submitted,
