Case Summary

On May 12, 2022, § 87(2)(b) filed this complaint via the CCRB's website, generating reference number #1-1-2334582.

On May 17, 2022, § 87(2)(b) was called at the number provided in his initial complaint. He confirmed his contact information and scheduled an interview for May 19, 2022. § 87(2)(b) was called on May 19, 2022 and was interviewed. § 87(2)(g)

§ 87(2)(b) after a collision with a police vehicle, § 87(2)(b)'s statements about the accident were misrepresented on the Motor Vehicle Accident Report. § 87(2)(b) alleged that these misrepresentations served to shift blame for the accident from the NYPD to § 87(2)(b). He stated that upon reviewing the inaccuracies, he went to the 9th Precinct stationhouse to have the report amended. There, he spoke to the member of service that prepared the report, discussed which changes were possible, and he and the member of service mutually agreed on amendments. He picked up the amended report a few days later and was satisfied with the changes. § 87(2)(b) agreed to provide the investigation with photographs of the report before and after it was amended.

On May 20, 2022, an email was sent to § 87(2)(b) requesting that he send the above-mentioned photos. On June 9, 2022, an additional email was sent to § 87(2)(b) following up on the previous email. On August 2, 2022, § 87(2)(b) was called and he stated that he had lost the investigation's emails, requesting that a new one be sent. The same day, an email was sent to § 87(2)(b). On September 9, 2022, § 87(2)(b) was called, and a voicemail message requesting photographs of the accident report before amendment was left.

On August 10, 2022, the investigation received a copy of the amended report from the Department Advocate's Office, which reflected the agreed-upon amendments but did not show any previous versions. No other available police documentation revealed the content of the report prior to the amendments to which § 87(2)(b) agreed.

On December 15, 2022, a search of the New York City Department of Correction's Inmate Lookup database showed that § 87(2)(b) is not currently incarcerated.

The Motor Vehicle Accident Report obtained by the investigation included no information which § 87(2)(b) alleged to be false. § 87(2)(g)

§ 87(2)(b) it is therefore recommended that this complaint be closed as **complainant uncooperative**.
