Synopsis

§ 87(2)(b) alleged that PO Hendry and PO Dumont, as identified on the Civilian Complaint Report, were rude to her when they were called to her home due to a complaint lodged against her by two individuals who live in her home. § 87(2)(b) stated that the officers did not listen to her side of the story and were, in general, "nasty." No summons was issued.

§ 87(2)(b) was first contacted on 9/22/99. At this time § 87(2)(b) elaborated on her complaint and an appointment was scheduled for 9/29/99. § 87(2)(b) called on 9/29/99 to cancel her appointment and another appointment was scheduled for 10/4/99. This appointment was subsequently missed. A missed appointment letter was sent to her home on 10/13/99. § 87(2)(b) was called two more times. A message was left on her answering machine the first time, however when the second call was placed to her home there was no longer an answering machine. Two more letters were sent to her home on 10/22/99 and 11/10/99. § 87(2)(b) failed to respond to any of these attempts to contact her. A DMV check and BADS check for § 87(2)(b) produced negative results. A COLES check for § 87(2)(b) address listed § 87(2)(b) as a resident at that address, with a different phone number. The new phone number was called, and this investigator was informed that it was the incorrect number. A man named § 87(2)(b) stated that this was his new number, and that he lived on § 87(2)(b) and not on § 87(2)(b). Further, § 87(2)(b) stated that he did not know § 87(2)(b) or § 87(2)(b).
