DISCLOSURE ADVISORY

The New York County District Attorney's Office has reviewed records and information provided to us by the relevant agencies to prepare this Disclosure Advisory.

For the person named above, whom the People may call as a witness, please be advised as follows.

A. CCRB DOCUMENTS

Redacted copies of relevant documents provided to the New York County District Attorney's Office by the New York City Civilian Complaint Review Board (CCRB) are being provided with this Disclosure Advisory.

**B. SUBSTANTIATED, PARTIALLY SUBSTANTIATED, PENDING
DEPARTMENT ALLEGATIONS, AND NON-DEPARTMENT DISCLOSURES**

1. The New York City Police Department (NYPD) has deemed substantiated an allegation from January 11, 2013, against Steven Moran who failed to appear at his scheduled Manhattan North Traffic Violations Bureau (TVB) appearance at 14:30 hours to testify regarding two summonses that were issued to two separate motorists. As a result of his failure to appear, both summonses were rescheduled for a later date.
2. NYPD has deemed substantiated an allegation from March 2, 2013, against Steven Moran for failing to appear for Traffic Violations Bureau Court
3. NYPD has deemed substantiated two allegations from March 11, 2018, against Steven Moran for committing the violations of Invoice Discrepancy – Lab – Marijuana and Report Incomplete/Inaccurate – Property Clerk Invoice.
4. NYPD investigated an incident that occurred on April 4, 2018, at which four officers were present, including Steven Moran. While the NYPD investigation did not result in any discipline or prosecution for the search or for theft, the complaining witness alleged that the vehicle she was operating was searched without justification and that United States currency was missing at the conclusion of the officer's search. (Those allegations were deemed unsubstantiated – See C-3 below.) The complainant identified a different officer from among the four as the person who searched the interior area of the vehicle

where the money had been. One of the other officers, who she was unable to identify, searched the trunk of the vehicle.

NYPD has determined that Steven Moran committed a minor procedural violation an allegation from an incident that occurred on April 4, 2018, for an incomplete memo book entry. The New York County District Attorney's Office (DANY) investigated the case, and an assistant district attorney and a DANY investigator interviewed the complainant and found her credible. The DANY investigation could not establish beyond a reasonable doubt, however, that a crime had occurred.

5. NYPD has deemed substantiated a Minor Procedural Violation against Steven Moran for an incomplete memo book entry in connection with a car stop on July 5, 2018. (For unsubstantiated allegations relating to that matter See C-4 below.)
6. NYPD has deemed substantiated an allegation from March 2, 2021, against Steven Moran for an incomplete memo book entry.

NYPD has also noted the following::

7. Steven Moran is a named defendant in the civil action *Corey Rodriguez v. The City of New York et al*, 1-15-cv-03392, filed in the United States District Court for the Southern District of New York, involving an incident that occurred on February 22, 2014.

In addition:

8. Steven Moran testified at a pretrial suppression hearing before the Honorable Ruth Pickholz on September 26, 2018, in the case of the People of the State of New York v. Tomas Caminero. On the basis of that hearing, in a written decision on December 4, 2018, Justice Pickholz granted the motion to suppress. A copy of that decision is being provided together with this Disclosure Advisory.
9. As of July 21, 2022, NYPD has an allegation pending from May 20, 2022, against Steven Moran of Body Worn Camera – Fail to Activate
